

PERSONAL INFORMATION

Maurizio RONCACCIA

Maurizio Roncaccia is Head of Department for Communication at Cedefop. He is responsible for devising a strategic communication approach for Cedefop to achieve its objectives.

Maurizio manages a team of communication professionals who are in charge for creating compelling content for publications, web, media platforms, and events. The team is also accountable for records management, engaging stakeholders and facilitating internal communication.

Before joining Cedefop in 2023, Maurizio worked for more than twenty years in diverse leadership positions within communication, both in the European public sector and in the private business. He matured his experience in the European Chemicals Agency in Finland, the European Network and Information Security Agency in Greece, the European Space Agency and Ericsson Lab Italy in Italy.

Maurizio holds a master's degree in sociology, communication and mass media from the university "La Sapienza" of Rome.
